Dear Lucy,

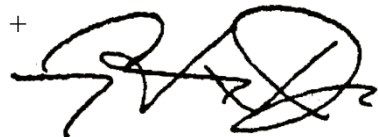

After a 6-year process, we have finally closed on the purchase of our new ministry campus at 2532 W Tharpe Street in Tallahassee. Words cannot express the tremendous amount of joy, gratitude, and relief I have right now, and I must express my thanks to you for the role you played in helping us complete this purchase.

There were many obstacles and challenges we faced over the years, but through perseverance and your guidance and support, we were able to overcome. Thank you for your diligence, wisdom, and expertise that assisted us in navigating this entire process. You took our financial information and organized it in a way that made it appealing and acceptable to Byline. You also served as our advocate with Byline through your constant communication with Helen. There is no way we would have been able to close this deal without you, and I am grateful to have you on our team. While this is a major accomplishment for us, this is just beginning. There is more work to be done, and I look forward to a continued working relationship as we continue fulfilling our vision and impacting our community.

Again, thank you so much for all you did to make this purchase possible. I believe you were a divine connection for us, and I am very appreciative of your willingness to remain with us until the end. I pray the Lord will bless and prosper the work of your hands as a result of the blessing you have been to us.

Grace of All Sufficiency,

+
